

XX YALINKAYA

YALINKAYA

Yalinkaya Ticaret 1974 yılında Mustafa Yalinkaya tarafından kurulmuş olup, günümüzde oğulları ve torunlarının önderliğinde aynı hedefler doğrultusunda faaliyet göstermektedir. Şirket, aynı zamanda kendi kalite standartları doğrultusunda kendi kalifiye elemanlarını yetiştirerek bir kurum kültürü oluşturmaktadır.

Bünyesinde bulundurduğu dönemin teknolojik şartlarına uygun makine parkurları ile dışa bağımlılığını günden güne azaltan Yalinkaya Ticaret, her zaman Avrupa standartlarında ürün tasarlamak ve geniş ürün yelpazesini müşteri memnuniyeti esasıyla en uygun fiyat ve kalite prensibi ile dünya pazarına sunmak adına çalışmalarını sürdürmektedir.

SILENCER

The Purestone Silencer is an incredible addition to the range. This latest Purestone accessory significantly reduces the noise of hairdryer and consequently the noise in hair salons or in your home.

This revolutionary product which is an advanced technical design, is small, light and elegant. It can be easily attached to most of the hair dryers in the range by simply pushing it over the filter at the back of the dryer.

Weighing a tiny 42g, this noise-reduction melody silencer is extremely light. It makes a noticeable reduction in sound waves and is crafted out of highly shock-resistant materials, incorporating an internal vibration absorbing filter.

WOODEN ROUND BRUSH

No one wants static in their hair. Purestone has solved this problem with the Static Free brush collection. Static Free brushes eliminate fly away hair, have reinforced stay-put ball tips and non-slip grips for maximum control and comfort. Four convenient sizes create and shape the hair for the perfect finished look. Non-tangling double return bristles will not split or break the hair. Bristles are 66 nylon and sauced from Germany.
